DEDICATION

This book is dedicated to my first psychic development teacher, Suzan, who encouraged me to “just try” channeling, even when I was very apprehensive. And this book is also dedicated to each of my students who have sat in “the channeling chair” . . . thank you for having the courage to connect with Spirit in this amazing way.

Introduction to IMPART Educational Material

im part (v.): to bestow sacred knowledge upon

Welcome to the IMPART family! Whether you are just starting out on your metaphysical journey or you would like to explore a specific topic or skill in more depth, the staff at IMPART is here to provide you with information, training, and support as you develop your abilities to connect with Spirit.

It is very likely you have questions, and we hope to provide you with the answers! Just a few of the questions you might be asking yourself include:

- How do I know if I'm psychic, a medium, and/or a healer?
- How do I learn how to connect with God/Source/Spirit, my guides, angels, archangels, ascended masters (e.g., Jesus, Mother Mary, Buddha), and/or deceased loved ones?
- How do I use a specific divination tool (e.g., cards, runes)?
- How do I learn how to be a healer?
- How can I use my abilities to help others?

To address your questions, we have created a series of educational products (e.g., eBooks, audio recordings) that are designed to meet the following standards:

- **Organized:** We always endeavor to provide a detailed Index and/or Table of Contents that will help you find the information that you need.
- **Clearly Communicated:** We always strive to make complex information as understandable as possible. Additionally, we do our best to stay away from obscure words or convoluted wording. We do not believe that a dictionary should be required when reading IMPART material.
- **Concise:** We, here at IMPART, understand that most of you are trying to fit your metaphysical studies around jobs, relationships, families, and various other responsibilities. Therefore, we do our best to provide you with information that is accurate, thorough, and concise.
- **Helpful to Beginners (as well as those who are more advanced):** We all were new to specific topics at one time, and we always strive to create educational materials that would have been helpful to us when we first started out. We want to provide you with a good foundation for each of the topics in our educational series.

IMPART's overall goal is to provide you with high quality training programs and educational material that will help you whether you are brand new to the field of metaphysics or you are more experienced but want to learn more about a specific topic. Through the use of these products and on-going support, our goal for you is to . . .

Channeling

I want to begin by recognizing that channeling, perhaps more than most metaphysical topics, is often misunderstood. Some people don't want anything to do with channeling because they believe it is "weird," "scary," or even "evil." I hope this educational material will help you understand that there is nothing to fear with true channeling.

My First Experiences with Channeling

To be very honest, I initially resisted learning how to channel because I was one of those people who thought channeling sounded "scary." The first person to tell me about channeling was my psychic development teacher, Suzan, who was an experienced channeler. It took me several months before I was willing to follow her recommendation and attend one of her channeling classes. At that time, I was a self-described "control freak," so the idea of having a spiritual entity control my vocal cords in order to speak on the Earth plane sounded pretty "frightening." But I finally "gave in" and was willing to go and observe.

I was so nervous that evening. But as each of the students took his or her turn in "the channeling chair," I became more and more intrigued with the beautiful, loving, uplifting messages that were being shared. Right before class ended, Suzan and several of my colleagues encouraged me to "just try it," so I did.

Little did I know that I was a "natural channel." I sat down and relaxed my body and mind. The first thing I experienced was that my heart began to race. Soon thereafter, I was overwhelmed by a glorious feeling of love! Then, words began to come into my mind like dictation. At Suzan's urging, I began to speak these initial words . . . and the words kept coming . . . and coming. I was channeling!

That first evening, I was able to channel a very high guide! After the entity left, I cried like a baby. The tears were not tears of sadness or fear . . . they were tears of joy! The love I felt when I connected with the other side in such an intimate way was indescribable! When you channel, that is what you connect with . . . unconditional, spiritual love!

Only in retrospect did I realize that I'd been channeling for most of my life and didn't know it. For example, there were times when something would come out of my mouth and I would wonder, "Where did that come from?!" These latter situations were often stressful situations, and what I said was always the perfect way to deal with the situation. Only after learning about channeling did I begin to understand that it wasn't me who was speaking during those stressful moments . . . it had been Spirit channeling through me in order to help me deal with a difficult situation.

And now I channel all the time . . . willingly . . . happily! I find that much of my writing is channeled. I also taught channeling from 2002-2019. It was one of my greatest joys when one of my students made that initial connection to the source of unending, ever-present unconditional love!
